

sawai Group Quality Policy

Sawai Group shall establish a robust Quality Management System based on the sawai Corporate Philosophy and the sawai Code of Conduct to ensure the effective and proper performance of quality-related activities. All Sawai Group officers and employees shall keep close and timely communication with stakeholders, and contribute to improving patients' lives by involvement in quality-related activities under our Quality Management System.

Our commitments are:

1. To provide high quality products and information by understanding and responding to patients' needs
2. To meet relevant quality-related regulations of the regions where our products are developed and marketed, and to provide regulatory authorities with complete and accurate information
3. To cultivate a strong Quality Culture through continued training and officer / employee engagement
4. To assure a consistent supply of our products to our customers
5. To implement proactive actions and continuous improvement in accordance with the latest scientific approach based on knowledge management

Sawai Group officers shall demonstrate commitment to support the Quality Management System.

Supplementary Provisions

This Policy shall be under the jurisdiction of the Group Chief Quality & Safety Officer of Sawai Group Holdings.

The amendment and repeal of this Policy shall require the resolution of the Sawai Group Holdings Board of Directors.
